New IFW Procedure

It is noted that applicant, in this application and others, has not followed the requirement under the new Rule of filing a list of all pending claims with each response to an Office action, RCE, etc. It was error on the part of Office employees to accept such document who may not be aware of the true nature of the documents. However, this has had the effect of slowing down the publication of applicant's allowed applications. It would be appreciated if applicant would revisit the Rule of procedure after the Office adopted the IFW system.
